

The Careers Programme aims to deliver a broad offer of impartial CEIAG to enable beneficiaries to be able to make informed decisions about progression.

Grimsby Institute holds both the National Quality in Careers Standard and the Matrix Standard for the provision of Information, Advice and Guidance (IAG). Rated 'Outstanding' by Ofsted in the most recent inspection, there are teams of professional, qualified and impartial Advisors available to offer a range of IAG services. This programme highlights the IAG offer available to learners and is mapped against the Gatsby benchmarks for IAG (see www.goodcareerguidance.org.uk for more information).
