

SAFEGUARDING CHILD SEXUAL EXPLOITATION

What is child sexual exploitation?

Child sexual exploitation (CSE) is a type of sexual abuse in which young people are sexually exploited for money, power or status.

Young people may be tricked into believing they're in a loving, consensual relationship. They might be invited to parties and given drugs and alcohol. They may also be groomed online.

Some young people are trafficked into or within the UK for the purpose of sexual exploitation. Sexual exploitation can also happen to young people in gangs.
